

CHIHULY GARDEN AND GLASS 5TH YEAR ANNIVERSARY SCHOLARSHIP AWARD

To celebrate its fifth anniversary, Chihuly Garden and Glass will partner with Chihuly Studio to award a \$10,000 scholarship to an emerging artist interested in the medium of glass. With the Pacific Northwest being recognized as a center for glass art, Chihuly Garden and Glass and Chihuly Studio are proud to recognize and support local artists who are interested in furthering their education and practice in glass. Since its opening in May 2012, Chihuly Garden and Glass has celebrated the vibrancy of arts in its community. The anniversary scholarship award offers the exhibition a new way to continue its longstanding tradition of enriching its local community through the arts.

The scholarship awardee will have the opportunity to attend Pilchuck Glass School and or Pratt Fine Arts Center—two leading glass art organizations who will provide the awardee with valuable educational resources and training.

Each applicant will be reviewed by a committee of local art professionals. In choosing the awardee, the committee will collectively identify which applicant would most benefit from the scholarship based on the content included in their application. The scholarship funds will be available from June 19, 2017 through September 30, 2018.
