**“I love to find the beauty  
in everyday objects.”**

**Dale Chihuly**

chihuly's lifelong passion for collecting started on the shores of the puget sound where he scoured the beach as a boy looking for bright shards of beach glass. today, his extensive collections include vintage objects and material culture of all kinds. some items are selected based on their function, others for shapes and colors. regardless of the reason, all have a personal connection for chihuly and we are delighted to present them to you in the collections café.

collections' décor draws in part from chihuly's iconic boathouse on seattle's lake union, and the combination of colors and materials motivated chihuly to share some of the very collections that adorn the walls of his home and studio spaces.
