Museum of Pop Culture

MoPOP is a leading-edge nonprofit museum, dedicated to the ideas and risk-taking that fuel contemporary popular culture. At MoPOP, artists, audiences and ideas converge, bringing understanding, interpretation, and scholarship to the popular culture of our time.

Pacific Northwest Ballet

Discover dance in a professional setting. Students participate in a fun and challenging ballet class taught in our state-of-the-art studios. They also observe the dancers at work in class or rehearsal for upcoming performances, and have the opportunity to view brilliant costumes up close. \$100 coordination fee per fieldtrip.

Pacific Science Center

Pacific Science Center inspires a lifelong interest in science, math and technology by engaging diverse communities through interactive and innovative exhibits and programs. Each year, their education programs reach more than 1.1 million people around the state – in their communities, classrooms and on our campus.

Space Needle Observation Deck

For the first time in over 50 years, the Space Needle is totally reimagined! Marvel at floor-to-forever glass on two entirely new levels of thrills. Step on The Loupe, the world's first and only rotating glass floor, and lean on Skyrisers, glass benches at 520'. Seattle's "must see" is now a "must do".
